

There is no greater calling than to serve our country and we are honored to help care for those who did. As an approved home care provider under the VA's Homemaker and Personal Care Service, we partner with the VA's dedicated team of social workers and care coordinators to care for you, our veterans, in your home.

Nowhere Else Is Home ...

At HCAN, we are proud to be a Medicaid approved home care provider. We also know that it can be a challenge to understand whether you, or a loved one, is eligible for Medicaid or home care services through Medicaid. We're here to help guide you through.

Did you know...?

Are you caring for a parent or loved one? You could be paid to do so through Medicaid. Call us today to learn more.

HELPING YOU THRIVE AT HOME™

Each HomeCare Advocacy Network office is independently owned and operated.

“ I’m excited to be out in the field working with HCAN. Working as a caregiver with adults is just what I love to do. I can’t see myself doing anything else. ”

“ I really like the feeling of helping people in a very meaningful way, and I’m excited that being a caregiver with HCAN gives me that opportunity. ”

The HCAN Guide to Home Care

Companion Care

\$30
per hour

This is the best option when...

You’re experiencing depression and feel alone | You’d like someone to check in with how you’re doing both physically and emotionally | You want a companion who goes with you to fun social activities | “The house is too much” and you need help with cleaning | You live with arthritis and can’t make dinner any more

Friendship

Reminders

Meal Prep

Laundry

Doctor Visits

Personal Care

\$32
per hour

This is the best option when...

You’ve suffered a major medical event and are in recovery | Getting dressed and ready for the day is a challenge | You no longer feel steady on your feet, and your family is concerned | A medical professional says you need additional help in the home | You need a caregiver to partner with your home health team
